WHERE THE RUBBER MEETS THE ROAD
Week 5 – “Finding Significance Through Obedience ”

Question 1: Pastor Lee shared how God called him to be a Pastor when he was at a climatic position in his career. Has God ever called you to step out in faith, even though it didn't make sense to your human reasoning? Would anyone be willing to share a testimony about a time like that in your own life?

Question 2: As a result of Pastor Lee obeying God and stepping out in faith to plant a church, many people have been touched by the authenticity of his story and the church continues to grow. Discuss the concept of when we're obedient to God, not only will our own life be blessed, but the lives of others will also be benefited.

Support Verse: Romans 5:18b-19 (CEV)

But because of the good thing that Christ has done, God accepts us and gives us the gift of life. Adam disobeyed God and caused many others to be sinners. But Jesus obeyed him and will make many people acceptable to God.

Jesus could have chosen to disobey, but he choose to obey. Look at the awesome benefit for all mankind!

Question 3: There will be moments of doubt when pursuing God's calling for your life, no matter what that may be! For those of you who have experienced this, can you share how you were able to push past those moments of doubt?

Question 4: Although obeying God may at time seem "risky," in the risk is the great reward! Pastor Lee shared that when we trust God, we step out in faith into a world of possibilities! Is there something that God is asking you to do, that will require trusting God to step out in faith? Let's share and pray together for God's strength, courage, and wisdom as we step out and take this risk!
